Challenges and Beyond

The past fiscal year was a period of contrasts.

The world went through unprecedented levels of economic turmoil.

The global liquidity crisis saw many companies going under.

The latter part of the year offered glimmer of hope following fiscal stimulus offered by governments from leading economies around the world.

Yet again, emerging economies are being reckoned as the new growth engines of the world, offering a ray of hope that the tide will finally change.

Hope is important because it can make the present moment less difficult to bear.

What seems to us as bitter trials are often blessings in disguise.

If we believe that tomorrow will be better, we can bear a hardship today.

After all, when the going gets tough, the tough get going.

To accomplish great things, we must not only act but also dream, not only plan, but also believe.

We believe and we also know that those who keep their eyes fixed on the far horizon will find the right road ahead.

The greater the obstacle, the more glory in overcoming it.

Perseverance remains the mantra to success.

Further, perseverance is not a long race; it is many short races one after another.

We have responded swiftly to the downturn.

We have reorganized our business strategies by making them more competitive.

And we did so without diluting the talents that make our company strong.

At the same time, we have retained our long-term view.

Success means having the courage, the determination, and the will to do what we believe we were meant to be.

We stuck to our business plans throughout fiscal 2010 and continued working on our numerous new business initiatives that form the foundations of our future.

Looking beyond the current economic situation, we expect global demand across the spectrum of our products and services to increase, driven by population growth and rising prosperity in developing nations.

Most of our products are fundamental to human progress and quality of life.

For these reasons, we believe that the long-term outlook remains favorable for our industry.

However, fiscal 2011 will be a transitional year.

Economic recovery in most parts of the world will be slow and uneven.

In all probabilities it will take at least another couple of years before we reach the level that was seen before the crisis.

We will continue to follow our successful strategy and actively shape our future.

Integrated urban infrastructure and SEZs have proved to be engines of future growth across economies.

And, Jai Corp through stakes in Navi Mumbai SEZ, Mumbai SEZ and Rewas Port SEZ is well positioned to ride this growth opportunity.

Jai Corp's core strengths, starting with the talent, dedication and values of our employees, position us to achieve growth while helping meet long-term demand.

After all, not dithering, staying on course and working for long haul will distinguish the men from the boys.

Jai Corp's future holds great promise.

“Jai Corp’s future holds great promise. We have strong assets and strong market positions across an array of projects and opportunities.”

Dear Shareowners,

In 2009 the world felt the acute effects of the global recession. By the end of 2009, unprecedented economic-stimulus packages and the irrepressible growth of key Asian nations appeared to turn around the global economy. Indian economy and Indian Inc too aided by the timely Union Government’s stimulus dosage performed rather well. Jai Corp tided over one of the worst years in the global economy and arrived at the end of the recession with its reputation for growth intact.

Weak consumer demand and lingering unemployment in the USA and Europe are likely to weigh down the recovery for some time. Those who want to be successful have to act today. This applies especially to market opportunities that emerge from global changes, such as population growth, urbanization and the resulting rising demand curve. I consider the development of solutions for these challenges to be the crucial foundation for a successful future.

We responded swiftly to the downturn. We reorganized our business strategies by making them more competitive. And we did so without diluting the talents that make our company strong. At the same time, we retained our long-term view. We stuck to our business plans throughout FY 2009-10 and continued working on our numerous new business initiatives that form the foundations of our future.

MESSAGE FROM THE CHAIRMAN EMERITUS

Looking beyond the current economic situation, we expect global demand across spectrum of our products and services to increase, driven by population growth and rising prosperity in developing nations. Most of our products are fundamental to human progress and quality of life. For these reasons, we believe that the long-term outlook remains favorable for all our business industry.

FY 2010-11, will be a transitional year. Economic recovery in most parts of the world will be slow and uneven. In all probabilities it will take at least another couple of years before we reach the level that was seen before the crisis.

We will continue to follow our successful strategy and actively shape our future.

Integrated urban infrastructure and SEZs have proved to be engines of future growth across economies. The world is becoming increasingly urbanized and by 2050 it is expected that 70% of the global population will live in cities. 16 of the 20 mega cities will be in the developing countries.

Jai Corp's performance and growth are intrinsically linked with the communities where we operate. Our community engagement programmes are strategic investments in the future of our communities, focusing on health, education and sustainable socioeconomic development.

Jai Corp's core strengths, starting with the talent, dedication and values of our employees, position us to achieve growth while helping meet long-term demand. We operate with the highest standards of integrity and respect for human rights. We are deeply committed to safe and efficient operations and to conducting our business in an environmentally sound manner. We build strong partnerships to produce energy and support communities.

Jai Corp's future holds great promise. We have strong assets and strong market positions across an array of projects and opportunities. We have robust long-term strategies and a proven ability to deliver results. We have unassailable ethics and a culture that attracts and develops the best talent.

Our world grows more complex every day and we encounter increased challenges. The Jai Corp management and its employees have risen to challenges for more than 25 years, with dedication, commitment and hard work. And, I'm confident we will continue to do so in the years' ahead.

I thank all our stakeholders who have consistently reinforced their faith and trust in Jai Corp. I am confident that they will continue to stand by the management team that is leading your Company into the future.

I thank our Board of Directors for their invaluable insights, constant support and guidance at every stage as we strive to give shape to their vision. I would also like to thank all our shareholders for their unstinted support. This Company is committed to realizing your dreams for it and I am confident that together we shall grow and prosper.

With best wishes,

Sincerely,

“Our focus will be to deliver superior and sustainable returns to all our stakeholders in the years ahead.”

Dear Fellow Shareowners,

The year 2009-10 has been a remarkable year for the world economy. The developed economies of the world are undergoing a structural decline while economies like India and China are emerging even stronger from the cyclical downturn that they experienced in 2008-09. For the first time governments of all major economies are collaborating to fight the worst ever financial crisis. Last year, several governments across the world announced fiscal stimulus packages that were aimed at arresting the downturn in their economies. Thanks to this measure, several major economies came out of a recession. Despite this chaos in the global financial system, the Indian economy once again demonstrated great resilience to external shocks and recorded a healthy growth of over 6% last year.

Several interesting trends have emerged from the last financial crisis. Let me share with you some major trends that we consider crucial.

Firstly, it is now evident that the developed economies are not going to experience the growth of the past decade. These economies will continue to witness an extended period of slow growth coupled with high fiscal deficits. Consumption in these economies was primarily driven by credit expansion which is not easily available to the already overleveraged corporations and consumers. While the developed world continues to experience a slow growth environment, certain developing economies continue to grow at very high rates. Countries like China, Brazil and India have, now, become the epicenters of economic growth.

Secondly, governments across the world are co-operating with each other to avoid another black swan event like the financial crisis experienced in 2008. There is awareness amongst the governments of developed nations that failure of any large financial institution can cause far-reaching damages to the entire financial system across the globe. Realising the gravity of the situation, these governments are ready to extend complete support to these large financial institutions as evidenced by the US government's bailing out of certain troubled financial institutions in the recent past.

MESSAGE FROM THE CHAIRMAN

Finally, due to the slow growth environment in most developing countries, the consumer sentiment is at a low as there is no rush to consume in a hurry. Demand for goods and services continue to be nowhere near its peak. There is an excess capacity across industries especially commodities, prices of which are much below their peaks recorded in 2007-08. There is clear indication that commodity prices shall continue to remain soft due to lack of incremental demand and enough overcapacity across several industries. Similarly, interest rates continue to be low as demand for credit is nowhere near its peak cycle in 2007.

All the above trends such as huge liquidity, a benign interest rate environment and softer commodity prices augur very well for several of the developing economies. These developing economies shall also be beneficiaries of capital flows from the developed world. India with its favorable demographic profile is the best placed amongst the major developing economies. Sectors such as power, roads, ports, and construction are at an early stage of a huge capex cycle that should last for this entire decade. Similarly, increasing proportion of India's young population is entering the work force – consistently raising its consumer class. Many studies show that 2012-2015 will be one of the best periods of growth for India's consuming class, a phase that is now described as that of "India's Demographic Dividend".

Jai Corp is well placed to benefit from the above trends. We will be developing Urban Integrated Infrastructure (SEZ's) that shall help propel India into the league of developed nations. These projects were conceived in a booming world with very high commodity prices but shall now be built when commodity prices are much softer compared to their peaks. This shall provide us with a superior start up advantage with lower costs than envisaged 3 years ago. A benign interest rate environment globally would further help us to build at a more competitive cost for the longer term. Our core infrastructure projects would enjoy the benefit of being executed in a period when it is most advantageous for new projects to be executed and its completion would hopefully coincide with a recovery in the world economy.

In our venture capital business, we manage and advise a collective corpus of over Rs 3,900 crore (US\$ 820 million). Our outlook for the future of the sector continues to be promising. There is a huge unmet demand which shall ensure continuous growth in the years ahead.

Last year, our traditional businesses of spinning, plastic processing and steel have delivered a good performance. The Company was able to substantially improve the profitability of these businesses. We are now in the process of consolidating our land holdings in the real estate sector. With supply levels having adjusted, once again there is a renewed interest in the sector with an unmet demand in several pockets ensuring higher growth visibility. These investments are long-term in nature and shall help unlock potential value in the years ahead.

Last year, Jai Corp steered through a very challenging environment and delivered a strong financial performance. While revenues increased by 7%, to Rs 479.81 crore, EBIDTA increased by 59% to Rs 97.98 crore and profit after tax increased by 116 % to Rs 61.07 crore. I firmly believe that Jai Corp's business strategies, operational excellence, cost control measures together with the hard work of our entire team helped your company deliver this improved financial performance.

India is now at an inflection point where it can demonstrate an extended period of high growth rates. Jai Corp is well positioned to capitalise on these emergent opportunities. Our traditional businesses will continue to grow in line with the economy while our asset management business is expected to create value for all its investors. It is my belief that Jai Corp will be able to capitalise on the emerging opportunities in the infrastructure sector. Our focus will be to deliver superior and sustainable returns to all our stakeholders in the years ahead.

I am grateful to the Board of Directors for their unwavering support and guidance. I also take this opportunity to express my gratitude to all our stakeholders, who have reposed trust in us and extended their constant support.

With best wishes,

Sincerely,

Anand Jain

The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements, on the basis of any subsequent developments, information or events.

Overview of FY 2009-10

The Financial Year (FY) 2009-10 was clearly one of the toughest and challenging years for businesses globally. This was a year of contrasts. The first half of the year saw firm prices and demand. However, following the credit crisis and the slowdown in global economies, demand was seen dropping sharply and margins coming under severe pressure during the second half. The tone of the economy reflected on the bourses as well. Stock markets are considered barometers of the activity and health of the economy. The first quarter of FY 2009-10, saw buoyancy in the stock markets, however, the remainder of the fiscal year was by and large tepid. The growth rate of the Gross Domestic Product (GDP) in FY 2008-09 was 6.7%, with growth in the last two quarters hovering around 6%. The Indian economy besides weathering the global crisis had to face a weak monsoon also in 2009. Some amount of turnaround was seen in the second quarter of FY 2009-10 when the economy

registered a growth of 7.9%. As per the advance estimates of GDP for FY 2009-10, released by the Central Statistical Organisation (CSO), the economy is expected to grow at 7.2% in FY 2009-10, with the industrial and the service sectors growing at 8.2% and 8.7% respectively. Jai Corp saw through this challenging period and has reported robust financial performance. Key financial performance indicators FY 2009-10 are as follows:

- The gross turnover increased by 9% to Rs. 430.99 crore in FY 2009-10 from Rs. 395.06 crore in FY 2008-09.
- The total EBIDTA, increased by 59% to Rs. 97.98 crore in FY 2009-10 from Rs. 61.73 crore in FY 2008-09.
- The total PAT increased by 116 % to Rs. 61.07 crore in FY 2009-10 from Rs. 28.25 crore in FY 2008-09.

BUSINESS REVIEW

Urban Integrated Infrastructure

Sector overview:

According to United Nations (UN) projections, half of the world's population now live in urban areas and about 70% will be city dwellers by the year 2050. With cities and towns in Asia and Africa registering the biggest growth, this hyper-urbanisation trend and the concentration of urban

population in the big cities in developing countries bring not only the problem of resource limitations to the fore, but also adds new problems as well. In order to cope with massive problems that have emerged as a result of rapid urban growth the Jawaharlal Nehru National Urban Renewal Mission

(JNNURM) was launched by the government on December 3, 2005 for a seven-year period beginning 2005-06. The selected cities are one million plus cities, state capitals and places of historical, religious, or tourist importance. The private sector, including farming, micro, small and

medium enterprises (MSMEs), and the corporate sector, has a critical role to play in achieving the objective of faster and more inclusive growth. This sector accounts for 76% of the total investment in the economy and an even larger share in employment and output.

Special Economic Zones – Urban Infrastructure

The contribution of urban sector to India's GDP has increased from 29% in FY 1950–51 to 47% in FY 1980–81. The urban sector presently contributes about 62%–63% of the GDP and this is expected to increase to 75% by the year 2021. The Government of India, in the year 2000, announced a pragmatic Special Economic Zone “SEZ” policy, which offers several innovative fiscal and regulatory incentives to developers of the SEZs, as well as the units within these zones. Each SEZ is treated as a foreign territory and units located in it are not subject to either customs tariffs or domestic duties. Sales to Domestic Tariff Areas are permitted, subject to payment of applicable customs duties and import policies in force. Inputs, whether imported or sourced domestically, are free of any taxes.

Outlook for SEZs in India

The Honourable Union Finance Minister of India, in his speech while presenting the Union Budget on February 26, 2010 stated that the SEZs have attracted significant flows of domestic and foreign investments. In financial year 2009-10, exports from SEZs recorded a growth of 121% over the corresponding period last year. Government is committed to ensuring continued growth of SEZs to draw investments and boost exports and employment. As on May 25, 2010, the Board of Approval had given 578 formal approvals to set up SEZs. As on March 31, 2010, 111 SEZs were operational providing employment to over 5.04 lakh people with a total export of over Rs. 2,20,711 crore.

Jai Corp is a stakeholder in entities developing Special Economic Zones in Maharashtra.

(I) Navi Mumbai SEZ (NMSEZ).

The State Government of Maharashtra appointed City and Industrial Development Corporation (CIDCO) as a nodal agency for developing SEZs in Navi Mumbai. CIDCO invited international bids for a joint venture partner for developing SEZs. Navi Mumbai SEZ was formed with CIDCO as a joint venture (JV) partner in Navi Mumbai SEZ Private Limited. The total size of NMSEZ is 5,289 acres (approximately 2,140 hectares). With a convenience of existing rail, sea, road and air linkages and also the planned ones, which are expected to be developed in the near future, NMSEZ is well placed to create a world-class industrial hub in Navi Mumbai.

NMSEZ has 3 nodes: Dronagiri, Kalamboli and Ulwe.

The Dronagiri zone is located at the south-western tip of Navi Mumbai. The site is located to the east of Uran town, and is bound by the Karanja Creek on the south-east and Jawaharlal Nehru Port Trust (JNPT) India's largest Container Port is to the north of the SEZ. Residential areas are located to the west and north-west of the zone. The Multi-Product SEZ is notified for an area of 1,223.67 hectares (Ha) at Dronagiri.

The Kalamboli zone lies on the eastern edge of Navi Mumbai and adjoins the Taloja MIDC area. The Special Economic Zone is notified for an area of 310.33 Ha at Kalamboli and has approvals for Multi-Services SEZ (176.71 Ha) and IT / ITES SEZs (133.62 Ha).

The Ulwe (W) node is situated along the south-western waterfront of the Central Business District of Navi Mumbai and extends towards the new Nhava Sheva Docks (JNPT) to south. Three IT/ITES SEZs have been notified in this node having area of 21.12 Ha, 38.28 ha and 10.77 Ha.

The Ulwe (E) node that skirts the southern edge of the proposed Navi Mumbai International Airport has two notified SEZ's. These are the Multi Service SEZ (128.43 Ha) and Gem & Jewellery SEZ (33.54 Ha).

Performance Overview:

The State Government of Maharashtra has declared NMSEZ as a 'Special Planning Authority' for all notified SEZs in Dronagiri, Kalamboli and Ulwe zones. Maharashtra Pollution Control Board (MPCB) has issued necessary environmental clearance under the Environmental Impact Assessment (EIA) notification and consent to establish have also been obtained for all the notified zones.

(II) Mumbai SEZ (MSEZ)

Mumbai SEZ Limited (MSEZ) has obtained the in-principle approval of the Ministry of Commerce, Government of India to develop a 5,000 Ha SEZ at Khopta, Maharashtra.

Performance Overview:

Notification under Section 6 of the Land Acquisition Act has been published for all villages under MSEZ.

PORTS

Sector overview:

Ports act as the gateways to India's international trade and handle approx 95% of foreign trade by volume and 70% by value. The country has 12 major ports & about 200 non-major ports along the 7,517 kms long its coast-line.

Rewas Port

India's emerging shipping hub

Jai Corp is a stakeholder in the entity developing Rewas Port project in Maharashtra. Rewas Port has been conceived as a multi-cargo, all weather, deep-water port based SEZ. The port is being developed by Rewas Ports Limited under a 'Concession Agreement' executed with the Maharashtra Maritime Board (MMB), a nodal agency of the State Government of Maharashtra. The Rewas port is located south of Karanja Fishing Harbour in Dharamtar Creek, on the intertidal land of Rewas Headland, District Raigad, on the West Coast of Maharashtra. Rewas is located close to

two major ports of India namely Mumbai Port (MbP) and Jawaharlal Nehru Port (JNP).

Performance Overview:

All statutory approvals required prior to commencement of work have been obtained. The phase I development is planned on the inter-tidal land and Government land and excluding the hamlets in the area. The transfer process of these lands are at an advanced stage. The work will commence after these lands are transferred to the project by the State Government of Maharashtra .

POWER

Sector overview:

India has the fifth largest generation capacity in the world with an installed capacity of 152 Giga Watt (GW) as on September 30, 2009. The average per capita consumption of electricity in India, FY 2008-09, was estimated at 704 Kilo Watt Hours(kWh). This is fairly low when compared with the world average that stands at 2,300 kWh. India's installed power generation capacity is currently around 1,57,229 Mega Watt (MW). In FY 2009-10, total capacity addition was 9,585 MW. Generation capacity steadily increased, however, the demand-supply gap has also increased over the years because of various problems faced by the sector. The energy shortage and peak power shortage during FY 2009-10 was about 10.1 % and 13.3 % respectively.

Performance Overview:

Jai Corp has strategised its presence in power generation, distribution and transmission through its associate companies, viz. Urban Energy Generation Private Limited (UEGPL), Urban Energy Distribution Private Limited (UEDPL) and Urban Energy Transmission Private Limited (UETPL).

Power Generation: UEGPL - a special purpose vehicle (SPV), has been formed for establishing, commissioning, setting-up, operating & maintaining electric power generating stations based on conventional / non-conventional sources. Presently, UEGP has planned for implementing 3 natural gas based combined cycle power projects to be located in Raigad District of Maharashtra:

1. 2,000 MW power plant at Dronagiri node of Navi Mumbai Special Economic Zone (NMSEZ) in Uran Taluka will be implemented in 3 phases, for which Board of Approval, Ministry of Commerce & Industries, Government of India has granted the status of "Co-Developer". All Central Government statutory clearances including Environmental and coastal regulation zone have already been obtained.
2. The State Government of Maharashtra has issued support letter for 2,100 MW power plant at Vangni Tarfe Taloja in Panvel Taluka. Environmental and other statutory clearances are also at advance stage of approval.
3. The State Government of Maharashtra has issued support letter for 2,100 MW power plant at Kondgaon, Nagothane in Roha Taluka. Environmental and other statutory clearances are also at advance stage of approval.

Power Distribution:

UEDPL intends to develop power distribution infrastructure in the Dronagiri node of NMSEZ. The Board of Approval, Ministry of Commerce & Industries, Government of India has granted UEDPL the status of a 'co-developer' for NMSEZ. It has also received the approval of authorized operations from the Ministry of Commerce and Industries, Government of India for establishing a power distribution system.

Power Transmission:

UETPL intends to develop infrastructure related to operation and maintenance of facilities for transmission of all form of energy / power in the Dronagiri node of NMSEZ. The Board of Approval, Ministry of Commerce & Industries, Government of India has granted UETPL the status of a 'co-developer' for NMSEZ. Route approval is being obtained for the transmission of the power.

WATER SUPPLY & SEWERAGE DISPOSAL

Sector overview:

National Water Policy (2002) envisages that the water resources of the country should be developed and managed in an integrated manner and *inter alia* states that adequate safe drinking water facilities should be provided to the entire population both in urban and in rural areas. Irrigation and multipurpose projects should invariably include a drinking water component, wherever there is no alternative source of drinking water. Drinking water needs of human beings and animals should be the first charge on any available water.

With a view to provide 100% water supply accessibility to the entire urban population by end of XI plan in 2012, it has been estimated that Rs. 53,666 crore would be required. Thus Public Private Partnership (PPP) is important to leverage government investments and to access private sector management efficiencies.

Solid Waste Management

As per National Urban Sanitation Policy impacts of poor sanitation are especially significant for the urban poor (approximately 22% of total urban population), women, children and the elderly. The loss due to diseases caused by poor sanitation for children under 14 years alone in urban areas amounts to Rs. 500 crore at 2001 prices.

The Government of India, Ministry of Environment and Forests has framed Municipal Solid Waste (Management and Handling) Rules 2000 and notified the same in September, 2000 making it mandatory for all the municipal authorities in the country and those responsible for managing the municipal solid waste in the country to implement the Rules.

Eleventh Five Year Plan targets for urban sanitation is 100% population coverage with 70% by sewerage facility and 30% by low cost sanitation. In solid waste management, 100% population is proposed to be covered with appropriate solid waste management. It has been estimated that the fund requirement for these programmes is Rs. 53,168 crore for sanitation and Rs. 2,212 crore for solid waste management. The Planning Commission has noted that though privatization of water supply and sanitation sector could not make significant progress as of now, there is substantial potential and urgent need for the same in near future.

Performance Overview:

Jai Corp has plans to enter the water supply, wastewater and solid waste management sector, through one of its associate companies viz. Urban Water Supply Private Limited (UWSPL) and is currently at an exploratory and viability assessment

stage, to be undertaken at NMSEZ.

The objectives of UWSPL are as follows:

- Supply water on 24X7 basis as per international standards.
- Develop infrastructure for water treatment, storage and distribution, wastewater collection, treatment and recycling.
- Make arrangements for sourcing sufficient quantity of water as per demand
- Provide water, waste water and recycled water management system
- Develop infrastructure for solid waste management system including waste collection, waste segregation, recycling, transportation, treatment and disposal.

The Board of Approval, Ministry of Commerce & Industries, Government of India has granted UWSPL the status of a 'co-developer' for NMSEZ.

ENGINEERING, PROCUREMENT & COMMISSIONING

Sector Overview:

The Finance Minister in his budget speech of February 26, 2010 has stated that accelerated development of high quality physical infrastructure, such as roads, ports, airports and railways is essential to sustain economic growth and proposed to maintain the thrust for upgrading infrastructure in both rural and urban areas. In the budget for FY 2010-11, a provision was made for Rs.1,73,552 crore, which accounts for over 46% of the total plan allocations, for infrastructure development in the country. Therefore, infrastructure sector is expected to show huge potential in the coming years. The Indian Engineering, Procurement and Commissioning sector is slowly and surely evolving into a strong, mature and industry-driven engine to achieve sustained economic growth.

Performance Overview:

Jai Corp intends to enter this business through one of its associate companies viz. Urban Infrastructure Construction Private Limited (UICPL). Through this company, Jai Corp proposes to execute EPC related work primarily in the SEZs. It also plans to undertake the development of residential, commercial and retail spaces in the SEZs. These are currently at an initial basic development stage. UICPL has been granted the status of a 'co-developer' by the Board of Approval, Ministry of Commerce & Industries, Government of India for NMSEZ.

IT & TELECOM

Sector Overview:

The Indian Information Technology-Information Technology - Enabled Services (IT / ITES) industry has continued to perform its role as the most consistent growth driver for the economy. Service, software exports and BPO remain the mainstay of the sector. Over the last five years, the IT / ITES industry has grown at a remarkable pace. Consider some of the significant indicators for these remarkable achievements. The IT / ITES exports have grown to a staggering US\$ 46.3 billion in 2008-09, the IT sector currently employing 2.2 million professionals directly and another 8 million people indirectly accounts for over 5% of GDP, a majority of the Fortune 500 and Global 2000 corporations are sourcing IT / ITES from India and it is the premier destination for the global sourcing of IT / ITES accounting for 55% of the global market in offshore IT services and garnering 35% of the ITES / BPO market. The Indian telecommunications industry is one of the fastest growing in the world. According to the Telecom Regulatory Authority of India (TRAI), the number of telephone subscribers in India increased to 638.05 Million at the end of April 2010 from 621.28 Million in March 2010, thereby registering a growth rate of 2.70%. With this, the overall Tele-density in India reaches 54.10. Wireless subscriber base increased from 584.32 Million in March 2010 to 601.22 Million at the end of April 2010 registering a growth of 2.89%. Wireless tele-density stands at 50.98.

Performance Overview:

Jai Corp has plans to facilitate the IT and telecom business requirements within the SEZ's through its associate companies viz. Urban Infotech Solutions Private Limited (UISPL) and Urban Communications Infrastructure Private Limited (UCIPL). These are currently at an exploratory and viability stage. UISPL and UCIPL have been granted the status of 'co-developer' by the Board of Approval, Ministry of Commerce & Industries, Government of India for NMSEZ. In the process UCIPL has acquired Internet Service Provide (ISP) License, Category-B for Mumbai Service Area and is also registered for Infrastructure Provider Category-I (IP-I), from Department of Telecommunications.

REAL ESTATE

Sector overview:

The Indian real estate sector plays a significant role in the country's economy. The real estate sector is second only to agriculture in terms of employment generation and contributes heavily towards the gross domestic product (GDP). Almost 5% of the country's GDP is contributed to by the housing sector. In the next five years, this contribution to the GDP is expected to rise to 6%. India's property market was in a severe downturn for much of 2009. The realty sector witnessed a decline after nearly four years of boom and high demand. While there have been some signs of the situation stabilizing, the recession has led to some significant ongoing

problems. The year 2010 is likely to be characterized as a year of selective stability. While average vacancies are expected to increase and average prices to fall, this may not be experienced uniformly across all projects or locations. A flight to quality resulting in an increasingly two tier market may emerge during 2010 in which best quality projects and locations will benefit from selective stability. With supply levels having adjusted, the major driver of performance in the real estate market in 2010 is likely to be the strength of ongoing demand.

Performance Overview:

Some of the subsidiary companies of Jai Corp have acquired land. The same may be consolidated for the purpose of development. The Company is of the view that any presumed fall in the current value of land held by some of its subsidiary companies is only temporary in nature. These investments are long term and in course of time the fair value of the investments are expected to be realised.

ASSET MANAGEMENT

The Indian asset management has witnessed unprecedented growth in recent years. The industry witnessed a compounded annual growth rate (CAGR) of around 47 % over a period of 2003 – 2009. During first nine months of FY 2009-10, assets under management (AUM) of venture capital fund (VCF) & foreign venture capital investors (FVCI) has increased by approximately Rs. 3,000 crore. During the same period, Mutual Fund’s AUM increased by Rs. 2.48 lakh crore reaching Rs. 6.65 lakh crore.

With penetrations of Mutual Fund, Insurance and Pension Funds still far below global averages, we see tremendous growth opportunity in this sector.

Performance Overview:

Jai Corp is present in this industry through its wholly owned subsidiary-Urban Infrastructure Venture Capital Limited (UIVCL), a venture capital management company.

UIVCL currently manages Urban Infrastructure Opportunities Fund (UIOF), a scheme of Urban India Venture Capital Fund (UIVCF), a SEBI registered fund. UIOF is a close ended India domiciled venture capital fund with total corpus of approximately Rs. 2,434 crores.

UIVCL, is also advisor to Urban Infrastructure Capital Advisors (UICA), investment manager to India focussed Mauritius domiciled Urban Infrastructure Real Estate Fund (UIREF), with a total fund corpus of about USD 300 million.

The Funds’ investments are focussed on large townships and mixed-use development projects in Tier-I and Tier-II cities of western and southern India. Together, the funds have invested in 32 SPVs spread across 15 cities of India.

Investment avenues

Both the funds are focussed on investments in real estate development projects in India. The investment philosophy is to identify development partners with high growth potential and to invest with them in SPVs for project execution. The intent is to grow the SPVs into large real estate development companies by adding multiple projects. The investment focus is on developing large integrated townships and large mixed-use developments.

STEEL DIVISION

Sector overview:

As per Ministry of Steel's annual report for FY 2009-10, India has emerged as the fifth largest producer of steel in the world and is likely to become the second largest producer of crude steel by 2015-16. Steel exports decreased by 36% as it reached an estimated 2.099 million tonne while steel imports were at an estimated 5.21 million tonne, a growth of 16.6%. Domestic steel consumption was at 40.997 million tonne and increased by 7.8%, indicating further strengthening of demand.

Performance Overview:

Jai Corp manufactures cold rolled coils, galvanised coils and galvanised corrugated sheets at its Nanded unit in Maharashtra. The Company's current capacity of manufacturing cold rolled coils and galvanised coils is 62,500 Metric Tonnes Per Annum (MTPA) and 55,000 MTPA, respectively. In FY 2009-10, the Company achieved production (including Job Work) of 35,438 MT of CR coils and 36,733 MT of GP/GC as compared to 2,414 MT and 3,255 MT respectively in FY 2008-09 due to an improvement in the demand for the Company's products. The Company was able to undertake higher job works also.

Cold rolled coils are sold directly to end users, such as auto component manufacturers. Galvanised sheets are sold through distributors in the domestic market under the brand name of 'SIPTA'. Presently, the dynamics of this industry have changed in favour of the integrated steel manufacturer with capabilities of manufacturing hot rolled, cold rolled and also galvanising of steel. This factor has put the Steel Division's operating margins under pressure.

PLASTIC PROCESSING DIVISION

Flexible Packaging

Sector overview:

Flexible Intermediate Bulk Containers (FIBC) industry in India is very capable and highly developed. The country is a large player in the international FIBC business and ranks behind only China in the global supply scenario. The domestic demand for FIBC's is still very low; the Indian FIBC industry exports over 95% of its output. The Indian woven sack industry has also been one of the fastest growing segments of the bulk packaging industry and has registered a CAGR of 15% or more over the last decade. India produces the equivalent of almost 1 million MT of polypropylene (PP) and high density polyethylene (HDPE) per annum valued at around Rs. 10,000-12,000 crore.

Performance Overview:

The Company's installed capacity for manufacturing of woven sacks, fabrics and staple fibres is 59,478 MTPA. In FY 2009-10, the Company produced 32,496 MT of woven sacks, fabrics and staple fibres as compared to 25,535 MT in FY 2008-09.

MASTERBATCHES

Sector overview:

Masterbatches are used to impart colour and various special properties to the products manufactured from plastics. Though the cost of Masterbatches in the final plastic product is very low, its quality is very important for attaining the desired properties of the end product. In general, Masterbatch industry can be broadly classified into Organised Sector and Small Scale Sector with more than 250 players. Key operators in the organized segment hold about 50% of the market.

Performance Overview:

Jai Corp's products have been well received in the Masterbatch and Antifibrillation Masterbatch segments. The Company's installed capacity for manufacturing of Masterbatches is currently 12,000 MTPA an increase of 79% as compared to capacity of FY 2008-09. In FY 2009-10, the Company produced 5,125 MT of Masterbatches an increase of 89% over production in FY 2008-09.

SPINNING

Sector overview:

The Indian Textile sector grew by more than 8% in the last two fiscal years and is projected to grow at 16% by 2012. Being the second largest employer of Indians after agriculture, it currently employs 88 Million people and is expected to generate another 17 million jobs by 2012. The gross value is expected to rise from its present \$9309.8 millions to a whopping \$105 billion Industry.

Performance Overview:

The Company's installed capacity for manufacturing of Spinning Yarn is 16,010 MTPA - an increase of 44% as compared to capacity of FY 2008-09. In FY 2009-10, the Company produced 8,600 MT- an increase of 29% over the previous FY. This year, the Company was able to substantially improve upon its profitability in this segment. This division has turned the corner with a robust performance.

HUMAN RESOURCES DEVELOPMENT

Jai Corp's most valuable assets are its human resource. With the support of its dedicated human resource the Company confronted the economic shocks and rapid changes in the business environment last year with resolve and determination to ensure that the business of the Company continue to enhance value creation.

The Company's talent as on March 31, 2010 is 3,661, which includes highly qualified professionals across its businesses. The growth and sustained leadership of the Company is largely a function of the competence and quality of its human resource. The Company has always aimed to create a workplace where every person can achieve his / her optimum potential. The Company has a performance rewarding culture throughout, enabling it to create leaders out of its own employees. The Company has also undertaken various training and development initiatives to hone the skills and expertise of its people.

With diversified business interests, the Company empowers the inter-departmental and inter-unit movement to deserving individuals, ensuring better retention of talent and at the same time providing newer avenues to its employees.

INTERNAL CONTROL SYSTEMS

Jai Corp has a comprehensive system of internal controls to safeguard the Company's assets against loss from unauthorised use and ensure proper authorisation of financial transactions. The system ensures the integrity of accounting, recording and reporting of all transactions. It monitors and controls against any unauthorised disposition of assets, thus safeguarding the Company's assets.

The Company ensures adherence to all internal control policies and procedures as well as compliance with all regulatory guidelines. This enhances the reliability of financial and operational information. The Company has appointed a reputed firm, Messrs Mahajan & Aibara as the internal auditors. The Audit Committee of the Company reviews the adequacy of internal control systems.

RISK CONCERNS & RISK MANAGEMENT

Jai Corp is exposed to the normal industry risk factors of competition, economic cycle, raw material availability and uncertainties in the international and domestic markets and credit risk. The Company has a system-based approach to business risk management. It has a proper and adequate system of controls that are designed to assist in the identification and management of risks. The Company manages these risks by maintaining a conservative financial profile and by following prudent business and risk management practices:

- 1) Clearly laid down roles and responsibilities of the various entities in relation to risk management. A range of responsibilities, from the strategic to the operational, is specified therein. These role definitions, *inter alia*, are aimed at ensuring formulation of appropriate risk management policies and procedures, their effective implementation and independent monitoring and reporting by Internal Audit.
- 2) A combination of centrally issued policies and divisionally-evolved procedures to bring strength to the process of ensuring that business risks are effectively addressed.
- 3) Appropriate structures are in place to proactively monitor and manage the inherent risks in businesses with proper risk profiling.
- 4) A professional and independent firm, Messrs Mahajan & Aibara has been appointed as internal auditors to carry out the risk focused audits across divisions, enabling identification of areas where risk management processes may need to be improved. The audit Committee of the Board of Directors regularly reviews Internal Auditor's findings, and provides strategic guidance on internal controls.
- 5) A comprehensive framework of strategic planning and performance management ensures realization of business objectives based on effective strategy implementation. The annual planning exercise requires all divisions to clearly identify their top risks and set out a mitigation plan with agreed timelines and accountability.

HEALTH, SAFETY & ENVIRONMENT

Jai Corp is committed to ensuring the health and safety of its employees, its plants and its surrounding communities at all its operation sites. It's the constant endeavour of the Company to provide safe and hygienic working conditions for its employees. The Company also strives to maintain a pro-active check on environmental compliance in its operations. Some of the initiatives undertaken by the Company in this regard are as follows:

- 1) Well defined work practices ensure work in a manner that promotes safety and health of its employee as well as that of the environment they operate in.
- 2) Provide training to all concern personnel to maintain health, safety and environment.
- 3) Creating awareness on Health, Safety and Environment and developing the required skill, knowledge and confidence of the personnel so as to enable them to understand their responsibility and accountability.
- 4) Provide all required safety posters, safety equipments, first-aid boxes and facilities, purified drinking water and adequate medical facilities under the aegis of a full time qualified medical practitioner.
- 5) Maintaining excellent housekeeping practices across all locations and premises of the Company.
- 6) Maintaining safe, healthy and pollution-free environment work places with suitable safe work systems and methods of work like protective fencing of machinery, periodical testing of hoist and lifts, ropes and chain pulley blocks, testing of pressure vessels. Periodical and preventive maintenance of compressors and proper arrangement of fire extinguishers at designated places.
- 7) Obtaining a stability certificate of all the factory buildings as per the requirement of the Factories Act, 1948.
- 8) Developing safety awareness among the staff and other concerned workforce.
- 9) Maintaining environmental norms prescribed by State/Central Governments in the matter of air, water quality, noise, environment etc.

10) Cleaning and disposal of waste and effluents, proper ventilation and sustaining pollution-free atmosphere.

11) Taking suitable insurance policies such as fire safety, group and personal accident etc.

SOCIAL RESPONSIBILITY & COMMUNITY DEVELOPMENT

Talking in the context of Corporate Social Responsibility (CSR) it is said that “There is no one definition of what it takes to be a responsible corporate. The key is to have a rigorous process for identifying those responsibilities and fulfilling them.” The European Commission has tried to define CSR as “A concept whereby companies integrate social and environmental concerns in their business operations and in their interaction with their stakeholders on a voluntary basis.” In India, companies have a strong desire to work for a social cause and also have sufficient resources at their command, but considering the demography and diverse social problems in the country, it sometimes become difficult for them to reach the right people. India being the second most populous country in the world, and home to the largest number of people in need of basic amenities, calls for more intensive efforts as part of such initiatives. The concept of CSR was always intended to be much more about how businesses conduct themselves in relation to stakeholders. Stakeholders include employees, customers and the broader society in which the businesses operate. CSR in the strictest sense is not giving money to the charities. Reaching the apex of corporate governance is basic foundation of being a socially responsible organisation.

An essential component of Jai Corp’s corporate social responsibility is to care for the community. We endeavour to make a positive contribution to the underprivileged communities by supporting a wide range of socio-economic, educational and health initiatives. Many of the community projects and programs are driven by active participation from our employees. We at Jai Corp have defined a set of core values for ourselves— care, innovation, passion and trust – to guide us in all we do. We have decided to act as a catalyst between the government and the people. We are helping implement the roadmap drafted with the help of the

Administration of Dadra & Nagar Haveli (D&NH) and the District Panchayat of D&NH. The Administration of D&NH has encouraged the Company to participate in a private-public participation to make the village Sindoni in the Mandoni Patelad of D&NH a “model village”. The Company is making its resources and volunteering available to the notified schemes. The objectives of these schemes are to:

- i) bring about an improvement in the general quality of life in the rural areas;
- ii) accelerate sanitation coverage in rural areas to access to toilets to all;
- iii) motivate the communities and the panchayati raj institutions promoting sustainable sanitation facilities through awareness creation and health education;
- iv) cover schools and anganwadis in rural areas with sanitation facilities and promote hygiene education and sanitary habits among students.

So far work is completed on a 3600 sq.mtr. pond at Patelpada of Sindoni. Of 6.5 kilometres (kms.) of road chosen for upgrading and/or tarring work is completed for nearly 2.8kms. The remaining is in varying stages of completion. Civil work is completed in a project to supply safe drinking water to the Tornachimal village. Drinking water supply delivery points have been augmented in Tadpada, Fatherpada and Masiyapada. Renovation of classrooms of the primary schools have been carried out at Masiyapada and Toranpada while in Toranpada construction of toilet block is also completed. Renovations for Tornachimal & Tetmal schools are completed too. In a project concerning building of individual latrines, around 475 toilets are completed covering Masiyapada, Patelpada, Tadpada, Fatherpada, Sindnipada, Luharmal, Tetmal and Tornachimal.

AUDITORS' REPORT

To the Members of JAI CORP LIMITED

We have audited the attached Balance Sheet of 'JAI CORP LIMITED' ('the Company') as at 31st March, 2010, the Profit and Loss Account and also the Cash Flow Statement for the year ended on that date, annexed thereto. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

1. As required by the Companies (Auditor's Report) Order, 2003 (as amended) issued by Central Government of India in terms of sub-section (4A) of Section 227 of the Companies Act, 1956, we enclose in the Annexure hereto, a Statement on the matters specified in the paragraphs 4 and 5 of the said Order.
2. Further to our comments in the Annexure referred to above, we report that: -
 - a) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c) The Balance Sheet, Profit and Loss Account and Cash Flow Statement referred to in this report are in agreement with the books of account;

- d) In our opinion, the Balance Sheet, Profit and Loss Account and Cash Flow Statement referred to in this report comply with the Accounting Standards referred to in sub-section (3C) of Section 211 of the Companies Act, 1956;
- e) On the basis of the written representations received from the Directors, as on 31st March 2010, and taken on record by the Board of Directors, we report that none of the directors is disqualified as on 31st March, 2010 from being appointed as a director in terms of clause (g) of sub-section (1) of Section 274 of the Companies Act, 1956;
- f) In our opinion, and to the best of our information and according to explanations given to us, the said accounts read together with the Significant Accounting Policies and other notes thereon, give the information required by the Companies Act, 1956 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
 - I) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2010;
 - II) in the case of the Profit and Loss Account, of the profit of the Company for the year ended on that date; and
 - III) in the case of the Cash Flow Statement, of the cash flows of the Company for the year ended on that date.

ANNEXURE TO AUDITORS' REPORT

(Referred to in paragraph 1 of our report of even date to the members of Jai Corp Limited on the accounts for the year ended 31st March, 2010)

- (i) In respect of its fixed assets:
- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) As explained to us, all the fixed assets have been physically verified by the management in accordance with the programme of verification, which in our opinion is reasonable, having regard to the size of the Company and nature of its assets. No material discrepancies were noticed on such physical verification as compared to the book records.
- (c) In our opinion and according to the information and explanations given to us, the Company has not disposed off substantial part of fixed assets during the year and the going concern status of the Company is not affected.
- (ii) In respect of its inventories:
- (a) Inventories have been physically verified during the year by the management. In our opinion the programme of verification is reasonable.
- (b) In our opinion, and according to the information and explanations given to us, the procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) On the basis of our examination of inventory records, we are of the opinion that the Company is maintaining proper records of inventory. As explained to us, no material discrepancies were noticed on physical verification of the inventories, as compared to book records maintained.
- (iii) In respect of loans, secured or unsecured, granted or taken by the Company to / from companies, firms or other parties covered in the register maintained under section 301 of the Companies Act, 1956: -
- (a) The Company has granted unsecured loans to two wholly-owned subsidiary companies of it. The maximum amount outstanding at any time during the year was Rs. 405,10.44 lacs and the year-end balance was Rs. 359,89.45 lacs.
- (b) In our opinion and according to the information and explanations given to us, the aforesaid loan is interest free and others terms and conditions of such loans are, prima facie not prejudicial to the interest of the Company.
- (c) The loans given were not due for repayment at year end.
- (d) The loans given were not due for repayment, therefore the question of overdue amounts does not arise.
- (e) The Company has not taken any loans during the year from companies, firms or other parties covered in the Register maintained under section 301 of the Companies Act, 1956. Consequently, the provisions of sub clauses (e), (f) and (g) of paragraph 4 of the said Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business for the purchase of inventories and fixed assets and also for sale of goods and services. During the course of our audit, we have not observed any continuing failure to correct major weaknesses in the aforesaid internal control system.
- (v) (a) According to the information and explanations given to us, we are of the opinion that transactions that need to be entered into the register maintained under section 301 of the Companies Act, 1956, have been so entered.
- (b) In our opinion and according to the information and explanations given to us, the transactions made during the year in pursuance of such contracts or arrangements exceeding value of Rupees five lakhs for each party, have been made at prices which are prima facie reasonable having regard to the prevailing market price at the relevant time, except for certain transactions for purchase and sale of goods and materials of specific nature for which alternative quotations are not available and hence upon which, we are unable to comment.
- (vi) The Company has not accepted any deposits from the public and accordingly, the provisions of clause (vi) of paragraph 4 of the said Order are not applicable to the Company.
- (vii) In our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- (viii) We are informed by the management that the Central Government has prescribed the maintenance of Cost Records pursuant to clause (d) of sub-section (1) of Section 209 of the Companies Act, 1956, in respect of one of the products of the Company. We have broadly reviewed the accounts and records of the Company in this connection and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate and complete.
- (ix) (a) According to records of the Company examined by us, the Company has generally

been regular during the year in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Investor Education and Protection Fund, Income-tax, Sales-tax, Wealth tax, Service tax, Custom Duty, Excise Duty, Cess and other material statutory dues as applicable with the appropriate authorities .

Further, since the Central Government has till date not prescribed the amount of cess payable under section 441A of the Companies Act, 1956, we are not in a

and explanations given to us, the Company has maintained proper records of transactions and contracts in respect of dealing in shares and other investments and timely entries have been made therein. The investments are held by the Company in its own name.

(xv) According to the information and explanations given to us, the Company has not given any guarantees for loans taken by others from banks or financial institutions.

(xvi) According to the information and explanations

SIGNIFICANT ACCOUNTING POLICIES

a. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements have been prepared as a going concern under historical cost convention, in accordance with the notified Accounting Standards by Companies (Accounting Standards) Rules, 2006 (as amended) and the provisions of the Companies Act, 1956 as adopted consistently by the Company.

b. USE OF ESTIMATES

The preparation of financial statements in conformity with the generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets, liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from this estimates. Difference between the actual result and estimates are recognised in the period in which the results are known/materialised.

c. FIXED ASSETS

Fixed assets are stated at cost of acquisition or construction, net of MODVAT/CENVAT, Value Added Tax (VAT), less accumulated depreciation and impairment loss, if any. All costs, including trial production and financing costs, if any till commencement of commercial production are capitalised.

d. DEPRECIATION

- i) Depreciation is provided on fixed assets on straight line method at the rates and in the manner specified in Schedule XIV to the Companies Act, 1956 except acquisition of insurance spares and on additions /extensions forming an integral part of existing plants on which depreciation has been provided over residual life of the respective fixed assets.
- ii) Drawings & Designs are written off on straight line method over a period of ten years.
- iii) Cost of leasehold land is amortised over the lease period.
- iv) Fixed assets where ownership vest with the Government/Local authorities are amortised at the rates of depreciation specified in Schedule XIV to the Companies Act, 1956.

e. INVESTMENTS

Current investments are carried at lower of cost and market value/NAV, computed individually. Long -term investments are stated at cost. Provision for diminution in the value of Long-term investments is made only if such decline is other than temporary in the opinion of the management.

f. VALUATION OF INVENTORIES

In general, all inventories of finished goods, work-in-progress etc., are stated at lower of cost or net realisable value. Cost of inventories comprise of all cost of purchase, cost of conversion and other cost incurred in bringing the inventory to their present location and condition. Raw material and stores & spares are stated at lower of cost or net realisable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. The cost is determined on FIFO basis in respect of Packaging / Spinning Division and in respect of Steel Division on average basis. Scrap and trial run products are valued at estimated net realisable value. Inventories of finished goods and scrap includes excise duty wherever applicable.

g. CUSTOMS

The liability on account of customs duty is recognised in respect of imported goods lying in the bonded warehouse.

h. EXPORT INCENTIVES

- i) The benefits in respect of Duty Draw Back, credit in Duty Entitlement Pass Book Scheme and any other export incentive except Advance Licence specified in Foreign Trade Policy, is recognised as and when right to receive are established as per the terms of the Scheme.
- ii) The benefits in respect of Advance Licence received by the Company against the export made by it are recognised as and when goods are imported against them.

SCHEDULES forming part of the balance sheet and profit and loss account

SCHEDULE “N” (Contd.)

i. FOREIGN CURRENCY TRANSACTIONS

- i) Transactions denominated in foreign currencies are initially recorded at the exchange rate prevailing at the date of transactions.
- ii) Monetary items denominated in foreign currencies at the year end are restated at the year end rates. In case of monetary items, which are covered by forward exchange contracts, the difference between the year end rate and rate on the date of the contract is recognized as exchange rate difference and the premium paid on forward contracts not intended for trading or speculation purpose is amortised as expense over the life of the contract.
- iii) Non monetary foreign currency items are carried at cost.
- iv) Any income or expense on account of exchange difference either on settlement or on translation is recognised in the Profit and Loss Account.

j. REVENUE RECOGNITION

Turnover includes sales of goods, services, scrap, commission, export incentive, excise duty and service tax but excludes sales tax/ Value Added Tax. Revenue from sale of goods is recognised when significant risk and rewards of ownership of the goods have passed to the buyer. Dividend income is recognised when right to receive the payment is established by the balance sheet date. Interest income is recognised on time proportion basis taking into account the amount outstanding and rate applicable. Commission is recognised on an accrual basis in accordance with the terms of relevant agreement.

k. EMPLOYEES’ BENEFITS

- i) Short term employee benefits are recognized as an expense at the undiscounted amount in the profit and loss account of the year in which the related service is rendered.
- ii) Post employment benefits in the form of gratuity, which is defined benefit obligation, is recognized as an expense in the profit and loss account for the year in which the employee has rendered services. The liability is recognized at the present value of the amounts payable determined using actuarial valuation techniques based on Projected unit credit method. Actuarial gains and losses in respect of post employment benefits are charged to the profit and loss account.
- iii) Compensated absences are accounted similar to the short term employee benefits.
- iv) Retirement benefits in the form of Provident Fund is a defined contribution scheme and the contributions are charged to the Profit and Loss Account of the year when the contributions to the respective funds are due. There are no other obligation other than the contributions payable to the respective funds.

l. BORROWING COST

Borrowing costs that are attributable to the acquisition or Construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

m. PROVISION FOR CURRENT AND DEFERRED TAX

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income-tax Act, 1961. Deferred tax resulting from “timing difference” between book and taxable profit is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the balance sheet date. The deferred tax asset is recognized and carried forward only to the extent that there is a reasonable certainty that the assets will be realized in future. In the case of unabsorbed depreciation and carry forward tax losses, all deferred tax asset are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits. The carrying amount of deferred tax assets are reviewed at each balance sheet date for their appropriateness.

Deferred Tax Assets and Deferred Tax Liabilities are off set if legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws.

Minimum Alternative Tax (MAT) is recognised as an assets only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an assets in accordance with the recommendations contained in guidance Note issued by the ICAI, the said asset is created by way of a credit to the Profit & Loss Account and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes

SCHEDULES forming part of the balance sheet and profit and loss account

SCHEDULE "N" (Contd.)

down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that company will pay normal income tax during the specified period.

n. IMPAIRMENT OF ASSETS

The carrying amounts of assets are reviewed at each balance sheet if there is any indication of impairment based on internal /external factors. An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. The recoverable amount is the greater of the assets net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to the present value at the weighted average cost of capital. An impairment loss is charged to the profit and loss account in the year in which an asset is identified as impaired. After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life. The impairment loss recognized in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount.

o. PROVISION ,CONTINGENT LIABILITIES AND CONTINGENT ASSETS

A provision is recognised when an enterprises has a present obligation as a result of past event; it is probable that an outflow of resources embodying economic benefit will be required to settle the obligation , in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. A contingent liability is disclosed, unless the possibility of an outflow of resources embodying the economic benefit is remote. Contingent assets are neither recognized nor disclosed in the financial statements

p. DERIVATIVE TRANSACTIONS

In respect of derivative contracts, Premium Paid, gain/losses on settlement and Provision for losses for cashflow hedges are recognised in the profit and loss accounts except in case where they relate to the acquisition or construction of fixed assets, in which case, they are adjusted to the carrying out of such assets

q. SUBSIDY

Subsidy relating to revenue expenditure for the year is adjusted against the related expenses.

AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

To,
The Board of Directors
Jai Corp Limited

- 1) We have audited the attached Consolidated Balance Sheet of Jai Corp Limited (the Company) and its subsidiaries and associates (collectively referred to as 'the Group'), as at 31st March, 2010, and also the Consolidated Profit and Loss account and the Consolidated Cash Flow Statement for the year ended on that date, annexed thereto. These consolidated financial statements are the responsibility of the Company's management and have been prepared by the management on the basis of separate financial statements and other financial information regarding components. Our responsibility is to express an opinion on these financial statements based on our audit.
- 2) We conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
- 3) Financial statements of nine subsidiaries, which reflect total assets of Rs. 44,943.25 lacs as at 31st March, 2010, total revenue of Rs. 6,723.17 lacs and net cash outflows aggregating Rs. 130.59 lacs for the year then ended and financial statements of seven associates in which the share of profit of the Group is Rs. 1.32 lacs have been audited by one of us.
- 4) We did not audit the financial statements of twenty five subsidiaries, whose financial statements reflect total assets of Rs. 36967.70 lacs as at 31st March, 2010, total revenue of Rs. 537.45 lacs and net cash inflows aggregating Rs. 103.07 lacs for the year then ended and also the financial statements of associate in which the share of loss of the Group is Rs 3.32 lacs. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion is based solely on the report of other auditors.
- 5) We have relied on the unaudited financial statements of one associate wherein the Group's share of loss for the year ended March 31, 2010 is Rs. 57.73 lacs. These unaudited financial statements as approved by the Board of Directors of the associate have been furnished to us by the Management and our report, in so far as it relates to the amounts included in respect of the associate is based solely on such approved

financial statements.

- 6) We report that the Consolidated Financial Statements have been prepared by the Company's management in accordance with the requirements of Accounting Standard 21, 'Consolidated Financial Statements' and Accounting Standard 23, 'Accounting for Investments in Associates in Consolidated Financial Statements' notified pursuant to the Companies (Accounting Standards) Rules, 2006 (as amended).
- 7)
 - a) *The auditors of a subsidiary company have qualified their opinion on the financial statements of that subsidiary, stating that adjustments may be required to those financial statements in respect of the matters explained in Note 17(i) of Schedule 'N' to the Consolidated Financial Statements. The impact of these matters has not been quantified by the auditors in their report on those financial statements.*
 - b) *The auditors of an associate company have qualified their opinion on the financial statements of that associate, stating that adjustments may be required to those financial statements in respect of the matter explained in Note 17(ii) of Schedule 'N' to the Consolidated Financial Statements. The impact of this matter has not been quantified by the auditors in their report on those financial statements.*
- 8) Based on our audit and on consideration of reports of other auditors on separate financial statements and on the other financial information of the components, and to the best of our information and according to the explanations given to us, *except for the matters stated in paragraph 7 above, the effects of which are currently not ascertainable*, we are of the opinion that the attached consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:
 - i. in the case of the consolidated balance sheet, of the state of affairs of the Group as at 31st March, 2010;
 - ii. in the case of the consolidated profit and loss account, of the profit of the Group for the year ended on that date; and
 - iii. in the case of the consolidated cash flow statement, of the cash flows of the Group for the year ended on that date.

STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

1 Principles of Consolidation

The Consolidated Financial Statements relate to Jai Corp Ltd.(the Company), its subsidiary companies and associate companies. The Consolidated Financial Statements have been prepared on the following basis:

- (i) The financial statements of the Company and its subsidiary companies have been combined on a line-by-line basis by adding together the book value of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions resulting in unrealized profits or losses in accordance with Accounting Standard-21(AS-21) "Consolidated Financial Statements".
- (ii) In case of foreign subsidiary, being non-integral operations, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the foreign exchange translation reserve.
- (iii) The difference between the cost of investments in the subsidiaries, over the net assets at the time of acquisition of shares in subsidiaries, or on the date of the financial statement immediately preceding the date of acquisition in subsidiaries, is recognised in the financial statements as Goodwill or Capital Reserve, as the case may be.
The difference between the proceeds from disposal of investment in a subsidiary and the carrying amount of its assets less liabilities as of the date of disposal is recognised in the consolidated statement of Profit and Loss Account as the profit or loss on disposal of investment in subsidiary.
- (iv) Minority Interest's in share of net profit of Consolidated Financial Statements for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- (v) Minority Interest in share of net assets of Consolidated Subsidiaries is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the Company's shareholders.
- (vi) In case of associate, where the Company directly or indirectly through subsidiaries holds more than 20% of equity Investments, accounting is done based on equity method in accordance with AS-23 - "Accounting for Investments in Associates in Consolidated Financial Statements".
- (vii) The Company accounts for its share in the change in the net assets of the Associate, post acquisition, after eliminating unrealised profits and losses resulting from transaction between the Company and its Associate to the extent of its share, through its profit and loss account to the extent such change is attributable to the associates' Profit and Loss Account and through its reserves for the balance, based on available information.
- (viii) The difference between the cost of investment in the associate and the share of net assets at the time of acquisition of shares in the associate is identified and separately disclosed in the Financial Statements as Goodwill or Capital Reserve as the case may be.
- (ix) The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances except mentioned in the Note No.2 of Notes on Accounts and are presented to the extent possible, in the same manner as the company's separate financial statements.

2 Investment other than in subsidiaries and associates have been accounted as per AS-13 on "Accounting For Investments".

3 Other Significant Accounting Policies

These are set out under "Significant Accounting Policies" as given in the Standalone Financial Statements of Jai Corp Limited and its subsidiaries.

- (i) Oasis Holding FZC, a subsidiary of the Company has made an advance of Rs. 3,813.51 Lacs (AED 312,00,000) for plot of leasehold land for construction of labour camp. The leasehold land is situated in Dubai, UAE. Management is of the opinion that in the present market condition, the fair value of the plot of land cannot be reasonably determined and therefore, the impairment amount, if any cannot be reasonably assessed. The purchase of one of the plots was terminated and the resulting charges of Rs. Rs. 879.84 Lacs (AED 72,00,000) were included in the of remaining plot of land. The consideration is fully paid and the possession of land is expected in due course from the seller.
- (ii) Searock Developers FZC, an associate company of the Company, has made payment of Rs. 14,409.75 Lacs (AED 117,892,343) for acquiring four islands in "The World" project in the United Arab Emirates and the project related charges. Consequent to the prevailing economic conditions, the company had opted for cancellation of the project subsequent to the payment of the above advances and is negotiating with the seller for the recovery of the advances or alternate investment opportunities. As the seller has not agreed for the cancellation, the company is currently reconsidering its plans on the project. Accordingly management has classified the balances as capital work in progress. The Company's share in above advance is Rs.7,204.87 Lacs .

date of the meeting in which the Board decides to open the issue of such convertible securities or the date on which the holders of such convertible securities become entitled to apply for the equity shares, as may be decided by the Board. Provided that the tenure of the convertible or exchangeable eligible securities issued through the QIP shall not exceed sixty months from the date of allotment and that the eligible securities shall not be sold by the allottee for a period of one year from the date of allotment, except on a recognised stock exchange;

RESOLVED FURTHER THAT the Board be and is hereby authorized to appoint and enter into and execute all such arrangements/ agreements, as the case may be, with any merchant bankers/ advisors/ registrars and all such agencies/ intermediaries as may be required including payment to such agencies/ intermediaries of commission, brokerage, fees, remuneration for their services and expenses incurred in relation to the issue of eligible securities and also to seek listing of such eligible securities on the Stock Exchanges where the Company's shares are listed;

RESOLVED FURTHER THAT the Board be and is hereby authorized to finalise the mode and the terms of issue of eligible securities under the QIP and all equity shares allotted under or arising from such QIP will rank pari passu in all respects with the then existing equity shares of the Company;

RESOLVED FURTHER THAT the Board be and is hereby authorized to do all such acts, deeds, matters and things as it may at its absolute discretion deem necessary or desirable for such purpose with power to the Board to settle all questions, difficulties or doubts that may arise in regard to the issue, offer or allotment of eligible securities and utilization of proceeds including but without limitation to the creation, in such form and manner as may be required, of such mortgage/ charge under Section 293(1)(a) of the said Act in respect of the eligible securities either on pari passu basis or otherwise, as it may in its absolute discretion deem fit without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution;

RESOLVED FURTHER THAT the Board be and is hereby authorized to delegate all or any of the powers herein conferred to any officers/

authorized representatives of the Company in such manner as it may deem fit to give effect to this resolution."

9. To consider and if thought fit, to pass, with or without modification(s), the following resolution as a Special Resolution:

"RESOLVED THAT pursuant to the provisions of Section 81 (1A) and all other applicable provisions, if any, of the Companies Act, 1956, and all other applicable laws, rules and regulations (including any amendments thereto or re-enactments thereof for the time being in force) as may be applicable and subject to the provisions in the Memorandum and Articles of Association of the Company and the Listing Agreements entered into by the Company with the Stock Exchanges where the shares of the Company are listed and the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009, and subject to such approvals, consents, permissions and sanctions of such statutory and/or regulatory authorities as may be applicable and subject to such conditions and modifications, as may be prescribed by any of them in granting such approvals, consents, permissions and sanctions which may be agreed to by the Board of Directors of the Company (the '**Board**' which term shall include any Committee which the Board of Directors may have constituted or may hereafter constitute for the time being exercising the powers conferred on the Board of Directors by this Resolution), the consent of the members be and is hereby accorded to the Board to create, offer, issue and allot by way of public issue, with or without provision for reservation on firm and/or competitive basis of such part of the issue and for such categories of persons as may be permitted, in the course of one or more public offerings in domestic market(s), equity shares to all eligible investors, including residents and/or non-residents and/ or institutions/ banks and/ or incorporated bodies and/ or individuals and/ or trustees and/ or stabilizing agent or otherwise and whether or not such investors are members of the Company, through one or more prospectus and/ or offer document provided that the issue of shares as aforesaid shall not result in increase of the issued, subscribed and paid-up capital of the Company by an aggregate amount which is more than 25% of the then post-issue issued, subscribed and paid-up capital of the Company, such issue and allotment to be made at such time or times in one or more tranche or tranches, at such price or prices, at market price(s) or at a

discount or premium to market price(s), in such manner and where necessary in consultation with the Book Running Lead Managers and/ or Underwriters and/ or other Advisors or otherwise on such terms and conditions, including issue of shares as fully or partly paid, making of calls and manner of appropriation of application money or call money in respect of different class(es) of investor(s) and/ or in respect of different securities as the Board may in its absolute discretion decide at the time of issue of the securities;

RESOLVED FURTHER THAT the Board is also authorised to appoint, and enter into and execute all such arrangements/ agreements with any Merchant Bankers/ Advisors/ Registrars and all such agencies as may be involved including by way of payment of commission, brokerage, fees, expenses incurred in cash or otherwise in relation to the issue of securities and other expenses, if any, or the like;

RESOLVED FURTHER THAT the Board be and is hereby authorized to finalise the mode and the terms of issue and allot such number of equity shares as may be necessary in accordance with the terms of issue and all such shares will rank pari passu with the then existing equity shares of the Company in all respects;

RESOLVED FURTHER THAT for the purpose aforesaid, the Board be and is hereby authorized to settle all questions, difficulties or doubts that may arise in regard to the issue, offer or allotment of shares and utilization of proceeds, as it may in its absolute discretion deem fit without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution;

RESOLVED FURTHER THAT the Board be and is hereby authorized to delegate all or any of the powers herein conferred to any officers/ authorised representatives of the Company in such manner as it may deem fit to give effect to this Resolution.”

10. To consider and, if thought fit, to pass, with or without modifications, the following resolution as a **Special Resolution**:

“**RESOLVED THAT** pursuant to the provisions of Section 81(1A) and all other applicable provisions, if any, of the Companies Act, 1956 and any other laws, rules and regulations (including any amendments thereto or re-enactments thereof for the time being in force) as may be applicable

and subject to the provisions of the Memorandum and Articles of Association of the Company and subject to such approvals, consents, permissions and sanctions of such statutory and/ or regulatory authorities, including of the Reserve Bank of India and/ or stock exchanges in terms of the Listing Agreements entered into by the Company with the Stock Exchanges where the shares of the Company are listed, as may be applicable, and subject to such conditions and modifications, as may be prescribed by any of them in granting such approvals, consents, permissions and sanctions which may be agreed to by the Board of Directors of the Company (the ‘Board’ which term shall include any Committee which the Board of Directors may have constituted or may hereafter constitute for the time being for exercising the powers conferred on the Board of Directors by this Resolution) the consent of the members be and is hereby accorded to the Board to create, offer, issue and allot in international jurisdictions any securities denominated in any freely convertible foreign currency including Global Depositary Receipts (GDRs), American Depositary Receipts (ADRs) convertible into equity shares, preference shares whether cumulative / redeemable / convertible at the option of the Company and / or the option of the holders of the securities and / or securities linked to equity shares / preference shares and / or any other instrument or securities representing convertible securities such as Foreign Currency Convertible Bonds (FCCBs), debentures or warrants convertible or like instruments of a type issued in international jurisdictions in offerings of this nature, whether convertible into or exchangeable with depositary-receipts for underlying equity shares/ equity shares /preference shares, (the “Securities”) to be subscribed by foreign/domestic investors/ institutions and/ or corporate bodies/entities including mutual funds, banks, insurance companies and / or individuals or otherwise, whether or not such persons/ entities/ investors are members of the Company, whether in one or more currencies, such issue and allotment to be made at such time or times in one or more tranche or tranches, at par or at such price or prices, and on such terms and conditions and in such manner as the Board may, in its absolute discretion think fit, in consultation with the lead managers, underwriters, advisors or other intermediaries provided that the issue of Securities as aforesaid shall not result in increase of the issued, subscribed and paid-up capital of the Company by an aggregate amount which is

CHALLENGES AND BEYOND

more than 25% (twenty five per cent) of the then post-issue issued, subscribed and paid-up equity share capital of the Company;

RESOLVED FURTHER THAT without prejudice to the generality of the above, the issue of Securities may have all or any terms or combination of terms including conditions in relation to payment of interest, additional interest, premium on redemption, prepayment and any other debt service payments whatsoever, and all such other terms as are provided in securities offerings of this nature including terms for issue of the Securities or variation of the conversion price of the Securities during the duration of the Securities;

RESOLVED FURTHER THAT the “relevant date” for pricing of the Securities, under the GDR/ADR/ FCCB or any other mode shall as per the Issue of Foreign Currency Convertible Bonds and Ordinary Shares (through Depository Receipt Mechanism) Scheme, 1993 for the time being in force, be the date thirty days prior to the date of the holding of the general meeting at which this resolution is considered and approved;

RESOLVED FURTHER THAT the Board be and is hereby authorized to appoint and enter into and execute all such arrangements/ agreements, as the case may be, with lead managers, managers, underwriters, bankers, financial institutions, solicitors, advisors, guarantors, depositories, custodians and other aforesaid intermediaries in such offerings of Securities and to remunerate all such agencies/ intermediaries as may be required including the payment to such agencies/ intermediaries of commission, brokerage, fees, remuneration for their services or the like and expenses incurred in relation to the issue of Securities and also to seek the listing of such Securities on one or more stock exchanges, including international stock exchanges, wherever permissible;

RESOLVED FURTHER THAT the Board be and is hereby authorized to enter into any arrangement with any agency or body for the issue of Securities in registered or bearer form with such features and attributes as are prevalent in capital markets for instruments of this nature and to provide for the tradability or free transferability thereof as per the domestic and/ or international practice and regulations, and under the norms and practices prevalent in securities markets in overseas jurisdictions;

RESOLVED FURTHER THAT the Board be and

is hereby authorized to do all such acts, deeds, matters and things as it may at its absolute discretion deem necessary or desirable for such purpose with power to the Board to settle all questions, difficulties or doubts that may arise in regard to the issue, offer or allotment of Securities and utilization of proceeds including but without limitation to the creation of such mortgage/ charge under Section 293(1)(a) of the said Act in respect of the aforesaid Securities either on pari passu basis or otherwise, as it may in its absolute discretion deem fit without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution;

RESOLVED FURTHER THAT the Board be and is hereby authorized to delegate all or any of the powers herein conferred to any officers/ authorized representatives of the Company in such manner as it may deem fit to give effect to this resolution.”

EXPLANATORY STATEMENT PURSUANT TO SECTION 173(2) OF THE COMPANIES ACT, 1956:

Item Nos. 8, 9 and 10:

The Company, in order to enhance its global competitiveness and increase the ability to compete with peer groups in domestic and international markets, needs to strengthen its financial position by augmenting long-term resources. To achieve significant competitive advantages, through easy access to large amounts of domestic and international capital, with extended maturities at optimal costs, the Company may need to issue securities in domestic and/ or international markets as contemplated in the resolutions and as may be decided by the Board and found to be expedient and in the interest of the Company. The Company may raise funds by one or more sources, including, Qualified Institutional Placements, public issues and offering of securities in international markets.

(a) Qualified Institutional Placements:

The Company proposes to raise capital by way of issue of equity shares and/ or non convertible debt instruments along with warrants, and/ or convertible securities other than warrants as specified in the resolution to Qualified Institutional Buyers in accordance Chapter VIII of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009.

Enabling approval of the shareholders was obtained at the 24th Annual General Meeting held on 23rd September, 2009. However, due to prevailing market sentiments it was not possible to make any such placement and the said approval would lapse shortly. Approval of the shareholders is again being sought for issuing securities as stated in the resolution at Item No. 8 which may result in issuance of further equity shares of the Company in accordance with the terms and nature of the securities. The Board, in consultation with its Merchant Bankers and other advisors, will decide on the timing of such issue and finalise the placement document which inter alia shall be placed on the website of Bombay

CHALLENGES AND BEYOND

Stock Exchange Limited and/ or National Stock Exchange of India Limited. The pricing of the securities that may be offered to Qualified Institutional Buyers pursuant to SEBI Guidelines for Qualified Institutions Placement shall not be less than at a price to be determined in accordance with applicable provisions of the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009.

The final pricing of one or more such placements of securities to Qualified Institutional Buyers shall be determined by the Board in consultation with the Merchant Bankers. However, the aggregate size of the proposed issue of securities shall not exceed 25% of the post-issue paid-up capital of the Company.

(b) Public Issue

The Board may consider raising capital by way of a follow-on public issue of Equity Shares and/ or other securities convertible into Equity Shares as specified in the resolution. The aggregate size of the proposed follow-on public issue of securities shall not exceed 25% of the post issue issued, subscribed and paid-up capital of the Company. The approval of the shareholders for such issue had been obtained at the 24th Annual General Meeting held on 23rd September, 2009. Although such approval is presently subsisting, in view of passage of time, it is considered desirable to seek fresh enabling approval of the shareholders as a matter of good corporate governance.

(c) Issue of Securities in the International Markets

Further, the Board may also consider raising funds by way of ADR/ GDR/ FCCB and / or such

other securities as may be permitted to be listed in international markets. The proposed issue of Securities may be made in one or more tranches, in the international market in one or more currency, such that the Securities to be issued shall not exceed 25% of the post issued paid-up capital of the Company. The approval of the shareholders for such issue had been obtained at the 24th Annual General Meeting held on 23rd September, 2009. Although such approval is presently subsisting, in view of passage of time, it is considered desirable to seek fresh enabling approval of the shareholders as a matter of good corporate governance.

For reasons aforesaid, in each of all the above three cases a separate enabling resolution is proposed to give adequate flexibility and discretion to the Board to finalise the timing, pricing and terms of the respective issues, if it decides to implement the same.

The Board of Directors accordingly recommend the Special Resolutions set out at Item Nos. 8, 9 and 10 of the accompanying Notice for approval of the Members.

None of the Directors is, in anyway, concerned or interested in this resolution except as a member of the Company.
